

## ADDENDUM

### Twin RC Charging Unit 23-440

Page 2 of the Owner's Manual states that "You can also power the charger by vehicle power, using a cigarette-lighter plug cable, (not supplied, available at your local RadioShack store)."

The cigarette-lighter plug cable you must use is either RadioShack Catalog Number 270-1533 or 270-1534, both available from your local RadioShack store.
