The REI products, components, and technology provided to you are subject to the U.S. Export Administration Regulations and may be subject to similar laws, regulations, or requirements in other countries. Any export, re-export, or transfer of any REI products, components, or technology must be conducted in compliance with such applicable laws and regulations. Diversion contrary to U.S. law is strictly prohibited.

Please note: The purchaser is responsible for all import duties, customs clearing fees, and/or taxes (VAT) that may be due after shipment reaches the country of import, including training equipment duties, customs clearing fees, and/or taxes that may apply to training equipment for temporary import.

All invoices and transport documents relating to export shipments emanating from our U.S. offices and overseas subsidiaries must include this destination control statement.
