I have reviewed the end-user letter. Is it possible to get more information regarding the end-user?

I have googled CEMS, UI KIRK KIZ 10, 100003 Tashkent, Uzbekistan and I really cannot confirm any of the information.

What is the company name? Is CEMS abbreviation for something?

We can find Tashkent.

Thanks  
Michelle

Attached please find the document you requested for the shipment to Switzerland.

Please let me know when the order ships, and please send along the tracking number, etc.

Jim,

The credit card did go thru today. We will ship after we receive the **end-user letter**. The ship to address below is a **freight forward/port/ship yard** in Switzerland. We must have an end-user letter.

I will be out of the office until Monday. Pamela has the paper work.

I will talk to you on Monday!

Michelle,

Here is the shipping address to which we will be sending the order (OSC-5000, OIB-5000, MDC-2100, and OTK-4000)

Shipping to:  
Muller-Gysin A.G.  
Belsped/GTS fur Transitlager  
Bercelonastrasse 8  
4142 Muenchenstein  
Switzerland  
Attn: Mr. Kaempfer  
Phone 0041.61.337.61.21

Please prepare an Invoice, and price out the shipping to keep it low (arrive within 10 days or so).

I will have the End User letter in hand in a few days, but should be able to send the check in to cover this on Friday once i find out from you how much to send.

I will need a ProForma Invoice so that I can sent a check.

I should have everything ready on my end Friday afternoon, and project that everything will be ready for a shipment on Tuesday morning.

Thank again,

-jma
